

Statement of Purpose

On a separate sheet of paper, please give a thorough answer to each of the following questions.

1. Students are attracted to the field of design for a variety of reasons. Why do you wish to become a designer?
2. A focused vision of your future is what will set you apart as a successful designer. What is your vision for your design career?
3. Society is increasingly aware of the importance of design in making our world a better place to live. As a successful designer, what benefits would you hope to be able to provide to society, the environment, or humanity?
