

## **Visual Communications Home Exam**

### **Guidelines**

Follow the instructions below. When finished, please mail the home exam to the address at the bottom of the page.

If you have any questions in the process, or if you would like to substitute a portfolio of graphic design or fine arts work in place of the home exam, please contact Visual Communications Chair Jeff Fuqua at [jfuqua@omorecollege.edu](mailto:jfuqua@omorecollege.edu) or (615) 794-4254, ex. 234.

An interview with the department chair is also required. Please contact Mr. Fuqua to set one up if you have not yet interviewed.

### **Instructions**

1. Create three logos using your initials. Each logo is to be done in a different media and should reflect a different aspect of your personality.
2. On a separate sheet, state the personality trait you are attempting to illustrate with each logo, and how your logo achieves this with your design decisions.
