

Bookstore Advance Policy

Students who have applied for financial aid, completed all requirements to receive financial aid, and who are scheduled to receive a refund as a result of that financial aid may request an advance of their anticipated refund, up to the amount of \$500. If the student is due to receive a refund that is less than \$500, the student may request an advance up to the amount of the expected refund. This advance must be requested by the student, approved by the Office of Financial Aid, and the student must complete a release to be housed in the Business Office, stating they understand that these funds represent an advance on their anticipated financial aid refund, that said refund will be reduced by the amount of the advance, and that in the event that their refund does not cover the amount of the advance, the student is responsible for repaying O'More any funds due.
