

Textbook Information

If any faculty member elects to require or recommend a textbook for their students, that information must be posted to Populi, where it will then be accessible to students registering for classes. This information should be posted in a timely manner, ideally as soon as a textbook has been selected, and posted at least 1 month before the semester begins.

Required Information

The following information must be included:

- Title
- International Standard Book Number (ISBN)
- Relevant retail pricing information

If the textbook does not have an ISBN, the following should be included:

- Title
- Author
- Publisher
- Copyright date

In cases where this information is not readily available, please use "To Be Determined."

Written Course Schedule Notice

In each printed copy of the course schedule for O'More College, a notice must preface the catalog which should state: "Required and recommended textbooks for courses may be found by navigating Populi at <http://www.omore.populiweb.com> and logging in with your credentials."
